Eventbrite/Savvy STEM Girl

LATE PICK UP FEE:

\$15.00/after 6:05 pm

Please join us for a week of fun, interactive learning, exploring and discovery in Science, Technology, Engineering, Arts and Mathematics. Enjoy hands-on activities, games, experiments, movies and, field-trips. We plan to visit the University of Maryland (College park) and the US Naval Academy (Annapolis).

Girls should bring their lunch Monday to Thursday. We will provide lunch on Friday & an afternoon snack and bottled water daily. If your child has any food allergy or sensitivity parents must provide lunch and snacks for them every day.

Every Girl Can Learning Institute

Presents

Savvy STEM Girl

Summer Camp

For Girls in 6th to 8th Grade

The **Every Girl Can Learning Institute** is a 501 (C) (3) non-profit, non-partisan organization, based in Silver Spring, Maryland. Our mission is enriching middle school girls to soar and thrive in and out of school through education programs in STEM/STEAM, leadership and life skills.
